A Few Details...

NEXT STEPS + WHAT TO EXPECT BOOKING

Interested in collaborating? The first step is to get in touch with us and share a bit about your business and what you envision for your new brand.

We will send over some details, and schedule an initial call with you so we can get to know each other and ensure we're a good fit. To seal the deal, we will send over a proposal, contract, and invoice. After all is signed off on and you've submitted your down payment, we'll be set to go!

INVESTMENT

The investment for each package is listed on the previous pages. A 50% down payment is required to book your project in my calendar. Your final design fee may change, depending on branding add-ons and any other needs you have that are outside of what's included in the package. Pricing and package details are subject to change without notice.

REVISIONS

Each phase of the design process includes 2 rounds of revisions to ensure you're thrilled and confident with the final product. Additional revisions are charged at an hourly rate.

HOW LONG DOES THE PROCESS TAKE AND WHEN CAN WE GET STARTED?

Approx. timelines and start dates will depend on our project calendar, your specific needs, add-ons, holidays, etc. We'll discuss more before booking, so you know what to expect!

DO I OWN MY LOGO + BRANDING FILES?

Yes! Upon receiving your final payment, the copyright and ownership of your final logo and branding files is transferred to you.

WHAT FINAL FILES DO I RECEIVE?

After we wrap up, we will send you a zip file to download, which will include a library of all your finalized logos and branding elements. They will be saved in different colors and sizes for your convenience, for web and print use, and in vector (editable) format.

ARE YOU AVAILABLE FOR ON-GOING GRAPHIC DESIGN WORK?

We love to continue the work with our clients after we wrap up their branding! Simply reach out when you need a design hand and we'll chat about your needs, timeline, and a design estimate for your project. To best serve our clients, we set time for add-on projects on our calendar.

Thank You!
